

P0011 – PMIS Employee Warnings Report

This report displays a listing of employee warnings to include employee name, warning action, status, and PMIS position number. The transaction PMHIS, W or PMXWHIS is used to display this information in PMIS. The report is designed to only pull warnings with an effective date within the last 18 months. Organizational Unit is the required selection criteria for this report and personnel area, dept/div, and personnel number are optional selection criteria.
